# Investiture Service Coahoma Community College's Fifth President

*President Dr. Valmadge T. Towner*

# Dr. Valmadge T. Towner

## President's Message

G. K. Chesterton once said "Tradition does not mean that the living are dead but the dead are alive". Since 1949, the traditions of *quality*, *access* and *caring* have been the cornerstone of the educational experience at Coahoma Community College. In our sixty-five year history, Coahoma has provided exceptional educational services to the citizens of Bolivar, Coahoma, Quitman, Tallahatchie, and Tunica counties.

Coahoma Community College is truly—our "community's college." Our tradition of serving all the members of our community through *quality*, *access* and *caring* has guaranteed that Coahoma lives on through its graduates.

Coahoma's *quality* comes in large part from our competent faculty dedicated to the art of teaching. Our teachers are committed to their students and encourage excellence. Complementing the faculty are excellent student services and support staff who have committed themselves to the concepts of student success and service.

*The Tradition Lives On*

*Access* for all who can benefit from the many opportunities provided by higher education is facilitated at Coahoma by low student costs. The cost of classes at Coahoma is one of the best educational values in the State. Community colleges are the best-kept secret in Mississippi. About half of all undergraduates in the State are attending community colleges and we take that responsibility at Coahoma very seriously. In addition, the college maintains an excellent financial aid program that includes grants, loans, and scholarships for those who qualify.

Emphasizing student success throughout the institution has developed a *caring* atmosphere at Coahoma. Every employee understands the importance of our students and is dedicated to facilitating the achievement of academic, social, and personal goals.

Outstanding physical facilities are available. Modern equipment and teaching aids are available to instructors and students. Online courses have expanded our delivery to an anytime, anywhere format.

I am proud to be a part of Coahoma Community College and promise that as its President, I will continue the tradition of promoting the principles of *quality*, *access*, and *caring*. These qualities have made Coahoma the exceptional educational institution it is today and will provide the basis for our successful future.

Tradition Lives On,

*Dr. Valmadge T. Towner, President*  
Coahoma Community College

Dr. Towner Featured in University of Mississippi's Alumni Association's Newsletter, **The REBEL Insider**

Alums graduate from college and move on to pursue various career options. Some are fortunate to have an end goal in mind and attain it. Dr. Towner began his current role as president of Coahoma Community College in July 2013. He says that developing goals and strategies and reaching them is one of the favorite parts of the job. "And more importantly to see how it benefits students, particularly at the college level. It's all about the student experience and how you can make the student experience great."

Recognized as CCC Humanities Teacher of the Year

David Jones

The Mississippi Humanities Council honored Jones as CCC's 2013-2014 Humanities Teacher of the Year.

In meager terms, the Humanities can be described as the many ways that people throughout history, all over the world, process and document the human experience. Since we have had the ability, humans have used philosophy, literature, religion, art, music, history and language to understand and record our world.

**CCC Beneficiary MS-INBRE Curriculum Improvement Grant Awarded**

The Science and Math Department received the MS-INBRE Curriculum Improvement Grant. The MS-INBRE Curriculum Improvement Grant award will allow us to continue to provide our students with practical hands on experiments that will help them succeed in their chosen career path.

The new equipment will enable instructors to triple the number of labs CCC students will be able to participate in allowing them to conduct more hands-on experiments that will help to connect concepts learned in lectures.

 volume of the  
 Agricultural High  
 School Yearbook to  
 Librarian Miss Ethel

## Colophon

The 2014 edition of The Coahoman was printed by Balfour Publishing Company in Dallas, Texas. The 160 page, full-color book was submitted digitally for a press run of 1400. Karen Loden served as the sales representative.

Lamb's Photography of Clarksdale, MS photographed all class, faculty and club photos. Candid shots were taken by Darby Lamb, Ezra Howard, Matthew Killebrew, Mary Caradine and the yearbook staff.

The cover is Maroon 360 with Tan Silkscreen 888. The endsheet design is embossed with Rainbow Tan Parchment materials.

The typesetting and page production were completed using Balfour's StudioWorks online software and Microsoft Word on Gateway and Dell computers. The type fonts used were Times New Roman and Tabasco Twin.

Mary Caradine and Yvonne Stanford were the yearbook advisers.

# In Memoriam

"So live, that when thy summons comes to join  
The innumerable caravan, which moves  
To that mysterious realm, where each shall take  
His chamber in the silent halls of death,  
Thou go not, like the quarry-slave at night,  
Scourged to his dungeon, but, sustained and soothed  
By an unfaltering trust, approach thy grave,  
Like one who wraps the drapery of his couch  
About him, and lies down to pleasant dreams."
